

KIRUBANANDHAM S

Frontend Developer

+91 6381547453 | kirubanandhamskiruba@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience building responsive, user-friendly web applications using React.js, JavaScript ES6+, HTML5, and CSS3. Delivered two production-ready projects featuring JWT authentication, REST API integration, and responsive design with zero reported bugs on launch. Seeking an entry-level Frontend Developer role to contribute from day one and grow within an experienced team.

SKILLS

Frontend: React.js · JavaScript ES6+ · HTML5 · CSS3 · Flexbox · Responsive Design · REST API Integration · JWT Authentication

Backend: Node.js · Express.js · Python Flask · REST APIs

Databases: MongoDB · SQL · SQLite

Tools & Workflow: Git · GitHub · VS Code · Postman · npm

PROJECTS

CodeQuiz — Programming Languages Quiz Application

MERN Stack | 2026

Frontend Lead — Team Project · github.com/Kirubanandham-05/codequiz

- Owned the complete frontend using React.js with component-based architecture — managed quiz state, timer, and score tracking using useState and useEffect hooks.
- Implemented JWT-based authentication on the client side and integrated REST APIs using async/await for quiz CRUD operations and real-time score dashboard backed by MongoDB.
- Delivered a production-ready application with zero reported bugs — secure login, dynamic quiz management, and real-time score feedback across all tested devices.

Riyaz Cars — Online Car Booking System

HTML · CSS · JS · Python Flask · SQLite | 2025

Solo Project — Full Frontend & Backend · github.com/Kirubanandham-05/riyaz-cars

- Built the complete UI using HTML5, CSS3, and vanilla JavaScript with Flexbox and media queries for full mobile and desktop responsiveness.
- Engineered secure user login flows with form validation and REST-style API calls to a Python Flask backend — integrated SQLite for real-time booking state management.
- Launched with zero reported login or booking bugs — reinforcing proficiency in responsive design, secure authentication, and API-backed state management.

EDUCATION

Bachelor of Computer Applications (BCA)

2023 - 2026

Sree Saraswathi Thyagaraja College, Pollachi

CGPA: 7.8

Coursework: Web Technologies, DBMS, Data Structures, Algorithms

Higher Secondary Certificate (HSC)

2021 - 2023

Government Higher Secondary School, Dharapuram

83.5%

CERTIFICATIONS

- | | |
|--|------|
| Database Management System — NPTEL | 2025 |
| Introduction to Internet of Things — NPTEL | 2025 |

ACHIEVEMENTS

- Won 1st Prize at Expo 2026 for a software project — demonstrated ability to build and communicate product value under evaluation.
- Participated in Intra-College Hackathon — hands-on experience with rapid UI prototyping under time pressure.
- Participated in Intra-Department Coding Competition — strengthened algorithmic problem-solving and clean coding habits.
